

STR - standard model / standardni model  
STR MM - model with middle connection / model sa srednjim priključkom  
Norm / norma: EN 422  
Color / boja: RAL 9016  
Mounting set in package with the radiator / set za montažu u paketu sa radijatorom / Connections / priključci: 1/2"  
Increased pipe number fi 22mm - increased heating output / Povećani broj poprečnih cijevi fi 22mm - jača snaga radijatora  
Warranty / jamstvo: 5 godina

A - heating output / toplinski učinak:  $Q(W)$   $tw_1/tw_2 = 90/70^\circ C$ ;  $t_1=20^\circ C$  ( $\Delta T 60$ )  
B - heating output / toplinski učinak:  $Q(W)$   $tw_1/tw_2 = 75/65^\circ C$ ;  $t_1=20^\circ C$  ( $\Delta T 50$ )  
C - recommended output of electric heater / preporučena snaga električnog grijača
