

Centrometal

HEATING TECHNIQUE

TOWER 250 with integrated boiler for sanitary hot water

- Models: 6/8/10/12/14/16 kW
- Refrigerant fluid: R32
- Tmaxwater: 65°C

Expansion vessel
for technical water

3-Way valve

PWM circulation
pump

Plate heat
exchanger,
high efficiency,
R32 – H₂O

PCB Board

4 Expansion
vessel for DHW

Wired controller

250lt tank for DHW

Backup electric
heater 2kW
